**At 80 elementary and charter schools in PA 100% of the students scored on grade level in Science.**

Science was first tested in 2007. The results were not made public. Beginning in 2008 - 4th, 8th and 11th grades are tested. There is no AYP for Science. The tests are based on the PA Science and Technology and Engineering, as well as, Ecology and Environment Standards which were approved in 2002. <http://www.pdesas.org/Standard/StandardsDownloads>
