**Name - ________________________________________________**

**Dolphins at Daybreak Internet Hunt**
Based on the book in the Magic Tree House series by Mary Pope Osborne

**Directions:** Bookmark the hunt webpage. Click on the links *(underlined words)* to find the answers to the questions. Use your bookmark of this hunt page to return to it.

1. Mary Pope Osborne is the author of this book. How many Magic Tree House books has she written?

**Do the Math:**

*Dolphins at Daybreak* is her 9th book in this series. How many books has she written since she wrote this dolphin one?

Each book costs $3.99. If your parents bought the whole collection, how much would it cost?

2. Jack and Annie live in Pennsylvania. Use a map to find out - which state is located north of Pennsylvania?

Pennsylvania is located in the Middle Atlantic region of the US. Name the region where your state is located.

3. Look at the long list - ABC's of Character Traits. Write 5 character traits for either Jack or Annie.

Developed in 2004 Cindy O'Hora
The children see many sea creatures during their adventure. Jack finds a fact about some of them in the Ocean Guide. Use these links to find another fact for each creature in the story.

4. Seahorse

Starfish

Jellyfish

Sting ray

Hammerhead Shark

Dolphin

Oyster
5. The tree house is in the tallest oak tree in the Frog Creek woods. How tall is the Northern Red Oak at Cook Forest State Park in Pennsylvania?

How tall are you?

What is the difference between your height and the height of the Northern Red Oak at Cook Forest State Park?

6. Jack and Annie take the mini-sub without permission. Was this a good idea or not? Explain.
