

Right to Vote in United States of America

The [Constitution of the United States](#) does not set forth requirements for the right to vote. Use your research skills to answer the following questions.

1. Recount the history of voting rights in the U.S. from the adoption of the Constitution on September 17, 1787 - to the - Voting Rights Act (1965).

2. Identify the point at which, an individual like you, was given the right to vote.
When were you given the right to vote?

3. Identify the last group of people to gain the right to vote in the United States of America.
When did this occur?

Consider the right to vote today. Is it adequately protected today?
